ANNUAL REPORT 2016/2017 SEASON

PRESIDENT'S REPORT

We had another great season at Kingsdene Oval, losing only two competition days due to the weather, one too hot, and the other too wet. We had strong attendance throughout from many of our athletes, and their parents.

We had 420 registered athletes this season, up 6% from last year. The last 6 years have seen our highest number of registrations in the Clubs history, with 390+ each year.

I would expect athlete numbers above 400 for the next season. If you intend to return to NRC, please ensure you sign on early when Registrations open in August. Please look out for an email from LANSW around August 1.

We held our annual Presentation Day on 26 March. We had an excellent turnout from our athletes, their families, our Life Members, and two former NRC athletes, Heidi See (Gregson), and Josh Ralph, who are both currently enjoying success in their athletic careers. Every athlete received an award from the Club for their efforts throughout the season.

With our high number of registrations, and particularly re-registrations from returning athletes, we had 29 athletes reach 5 years of service, each receiving a boxed medal from the Club. Congratulations to Mandela and Siena Sutherland, and Tate Mahony, on reaching 10 years of service at NRC this season.

We had 158 athletes participate at the Zone Carnival. From there, we had 83 athletes qualify for Region, up from 70 last year. In turn, our success at Region saw 21 athletes qualify for State. A sensational effort.

Our athletes combined to achieve 115 bronze, silver and gold PB medals from our weekly competition. We also had 10 individual record breakers this season, with 13 records going.

Well done to all our athletes on your efforts throughout the season.

I would like to thank our Life Members for their continued support of our Club. It was great to see Tony Kish, Jenny Drury, Mary O'Byrne, Jan Andrews, Peter Blackett, and Martin Horwood at our Presentation Day. In particular, I would like to thank Jenny Drury for her regular attendance at the oval throughout the season.

I would like to offer a big thank-you to all of our Age Managers, Assistant Age Managers, and the regular parent helpers with each group. You all did a great job with your group throughout the season. Thanks also to our key officials, particularly our Starters, Chief Timekeepers, and Timekeepers. Also to our field event officials who chased discus, shot put and javelin at our throws, and raked sand and helped measure at long and triple jump.

I would like to offer a special thank you to Lisa Lane in the Canteen. Thanks also to those who helped Lisa in the canteen and on the BBQ when required, and to Adam Price and his regular band of data entry helpers for all things results and computer related. A big thank you to Sally Lamprianidis who looked after our uniform stock throughout the season.

Training took place again on Wednesday and Thursday nights throughout the season, under the guidance of Mike, Shannon and Ben. At times we had more than 50 athletes in attendance, all of which gives a great indication of how well the sessions were appreciated and run.

I would also like to thank Annika Tilt for being our Clubs Team Manager at all of the external Carnivals. Annika did a great job of ensuring all our athletes are properly attired and at marshalling when called. Thanks also to Carwyn for assisting throughout.

I would like to acknowledge our U17 athletes who finished at NRC this season. I would like to acknowledge Kate Milne (9 years), and Thomas Schaafsma for their service to the Club. A big thanks to Kate who was a fantastic Club Captain for the season.

I would like to thank our fantastic Committee for their efforts throughout the year. They have all worked hard to keep our Club running successfully. In particular, I would like to acknowledge –

- Dave for his assistance to me, and for managing the 13's;
- Carwyn for looking after our Finances and assisting with the 12G's;
- Vicki for all her work behind the scenes on Committee matters and for Chiefing at Gatekeeping;
- Adam P. for maintaining our website and database;
- Chelsea for being Officer for Championships, and with the 8B's;
- Fergus for handling our Registrations, organising set-up each week, and Age Managing the 7B's;
- Russell for helping out with canteen supplies and Age Managing the 10B's;
- Ben for looking after our equipment, setting up and packing the shed each week, and training;
- Adam B. for running the timing gates;
- Mike for organising Training and managing the 7G's; and
- Bernard for helping with ground surveying, and general contribution to everything around the oval.

I would like to congratulate and thank Vicki Milne, who has been at NRC with daughter Kate for 9 years, and who steps down after serving on the Committee for 5 years. Vicki is well known around the oval as our Chief Gatekeeper, and her work as Secretary of the Club. On behalf of the Club, it was a pleasure presenting Vicki with an Outstanding Service Award at our Presentation Day. Thank you Vicki.

As we move toward next season, it would be great to have some new parents join the Committee to help build on the successes we have enjoyed over many years. Please give this some serious thought over the coming weeks and months. The Clubs AGM will be held on Sunday 7 May at 3pm at the Carlingford Bowling Club. I look forward to seeing as many parents as possible at this meeting.

I wish all our athletes a successful winter sport season, particularly at your School athletics carnivals. I look forward to seeing you again next year for another season of Little A's at North Rocks Carlingford.

Garry Dennis
President

SECRETARY'S REPORT

Following the Annual General Meeting in May 2016 a new Committee was formed and we welcomed new Committee members Mike Wilcox and Bernard Rowe in addition to Garry Dennis (President), Dave Gathercole (Vice President), Carwyn Potbury (Treasurer), Fergus Tilt (Registrar), other committee members Adam Price, Adam Boyd, Chelsea Woodhouse, Russell McKenzie, Ben Waldron. I took on the position of Secretary and the Club's Public Officer.

During the season, committee meetings were held once a month commencing from June 2016 in preparation for Registrations which commenced in August.

Notifications have been posted on our Facebook page and our website advising all our members of the Annual General Meeting to be held 7th May 2017 and calling for nominations for committee positions. A motion will be put to the AGM proposing minimum 30% female representation for committee positions

The Club supported two charities as part of our community commitment - Shoes for Planet Earth and the Melanoma Institute. We collected 74 pairs of second hand shoes and \$283.45 for Shoes for Planet Earth that have been donated to indigenous children's sports programs in the Northern Territory, and we raised \$255.65 in donations for the Melanoma Institute Australia.

The Club was also awarded a Technology Award at the Little Athletics Annual Conference in July 2016 in recognition of our website and Facebook communication strategies.

As this has been Kate's final year as an athlete at North Rocks Carlingford Little Athletics I will be stepping down from the Committee at the AGM. I would like to thank the Committee for all their support over the past 5 years. I have thoroughly enjoyed my time as Chief timekeeper and Secretary at the Club and look forward to seeing it grow bigger and stronger. As a club we very much rely on our volunteers and I encourage you to think about being involved at Committee level.

Vicki Milne
Secretary

TREASURER'S REPORT

Please find attached the 2016/2017 accounts. These accounts have been audited by our Honorary Auditor Mr Simon Brownlow (ASA), Associate CPA Australia. We thank Simon for undertaking this on our behalf.

It has been a successful and enjoyable season and as Treasurer I have been very happy to have played a small part.

The Centre recorded a total income for 2016/2017 season of \$124,276 which represents an increase of \$59,337 on the previous year. The main factor for this significant increase was the \$50,451 of Government Grants and sponsorship that the club received and contributed to the financial surplus recorded in the accounts. These Grants and Sponsorship were used for the supply and installation of the new Long Jump Pits at the grounds, the supply of additional timing gates for the long track and the support of the AWD athletes Registration and Uniforms. I would like to thank Fergus Tilt for all his time applying for the grants and sponsorship that help to make our club the success it is today.

There was an increase in Canteen sales this season. A big part of this was due to the continuity of the BBQ. I would personally like to thank the fantastic ongoing contribution of Lisa McKenzie and her support team in the Canteen and Chris Schneider and the other members who assisted on the BBQ.

Our Uniform sales of \$11,682 (this includes Merchandise sales) is an increase of \$1,894 on the previous season. The club has consolidated suppliers for the athlete's uniforms. Because of this, there was a slightly new design of the singlets. This led to an increase in sales.

The online PayPal facility set up on the NRCLAC website was also instrumental in the increase of sales so families could order and pay for uniforms online and then pick up on Saturday mornings. Thank you to Sally Lamprianidis for her assistance as Uniform Officer on Saturday mornings.

The club initiative of the Gold Coin donation for training continued this season and \$1,141 was collected.

The Centre incurs considerable expenses to keep operational. The major expense for 2016/2017 is the \$23,164 fee paid to LANSW for registration and insurance of our athletes. In addition to this:

- \$6,587 - was spent on trophies, medals, ribbons and other rewards presented to the athletes at our presentation day.
- \$20,900 – was spent on the new Long Jump pits
- \$8,793 – was spent on the timing gates for the long track
- \$9,100 - was spent on stocking the canteen.
- \$17,946 - in uniform cost of sales incl Merchandise
- \$4,174 – for Region Shirts and State Back Packs
- \$4,074 - for oval maintenance

With NRCLAC being a not-for-profit organisation, we aim to return the funds to the athletes and parent helpers through the continuation of several initiatives that have enjoyed the ongoing support of the committee:

- Supply of uniforms and payment of registration for AWD athletes
- Paddle Pop Weekly Prize
- NRCLAC branded Athlete Clothing for Region and State Representatives

Our bank balance remains healthy with an end of season balance of \$56,108.53.

All known 2016/2017 expenses have been captured into these accounts. There is a \$2000 accrual for oval hire in the event that Parramatta Council levies a hire fee to the club.

So, for Season 2016/2017, working as part of the committee and being centrally involved with all decisions made by the committee has been rewarding. I wish to thank the committee and everyone else who has supported this club. I am looking forward to the new season already.

Carwyn Potbury
Treasurer

Honorary Reviewer's Report

I have examined the books of account and financial records of North Rocks Carlingford Little Athletics Centre Incorporated for the year ended 31 March 2017 and I am of the opinion that the above Balance Sheet and the Statement of Income and Expenditure on page 2 give an accurate view of the state of affairs and results for the year. I have relied on the previous year's review for the March 2016 financial balances and have not performed a review on these figures this year.

The Balance Sheet and Statement of Income and Expenditure have been prepared for the members of the North Rocks Carlingford Little Athletics Centre and may not be relied upon by any other parties.

Simon Brownlow (ASA) - Associate CPA Australia
Honorary Reviewer

Dated at Sydney on 1 April 2017

REGISTRAR'S REPORT

NRCLAC had 420 registrations for the 2016/17 season, which is an increase of 6% on the previous year. This consisted of 229 boys and 191 girls and our biggest groups as usual are 7s - 10s.

NRCLAC encourages participation in sport by a broad section of the community and we believe sporting groups have the potential to address economic, gender, cultural, and disability barriers to a greater extent than many other sectors. As such, for a second season NRCLAC has provided financial support to encourage participation in Little Athletics by a group of athletes with special needs.

The group was trialled in 2015/16 with half a dozen athletes and due to its success expanded to 22 athletes this season. The special needs group participated in a good range of events, including shot put, long jump, high jump, hurdles, 50M, 70M, 300M, and games. NRCLAC would like to thank Southern Phone for sponsoring the cost of the group's registration fees and uniforms. The Committee would like to congratulate the group's manager, Natalie Portes, for such a fantastic season with the athletes. We look forward to seeing the group return in 2017/18.

Fergus Tilt
Registrar

OFFICER FOR TECHNICAL & EQUIPMENTS REPORT

2016/2017 was another great season for the club. As a result of great contributions made from the committee, family and friends, the club achieved a lot this year!!

The only big purchase was a second set of timing gates. After a few teething problems they are now in full swing. With no other notable purchases it was good to see the kids enjoy a full season utilising the long jump pits.

The year it was a pleasure to watch the AWD group and I was pleased when they got to use all the purchases the club made for this group. With the increasing numbers and possible changes to their program (increase of events) the club will continue to support them with whatever equipment is available.

The club inherited a fairly poor oval this year and a lot of time and water was spent improving the quality of ground. I think within about 10 weeks the oval was at a higher standard than the last few years and has remained at this standard for the remainder of the year. I would also like to thank Fergus and Garry for the oval prep this year.

Again, as I said last year, without the support of local businesses the club would struggle. So I would like to quickly mention one of them.

- Carlingford Furniture Removals and Storage – Adrian and Rebecca continue to support the club with offseason storage and this has been very important this year due to an upgrade in the shed facilities. Thanks Adrian and Rebecca.

I would like to thank the parents and sometimes Grandparents that turned up for setup and pack up. It was often the same people but again thank you - without you we would have no competitions on the weekend.

I would also like to thank my fellow committee members – no task was too small (from setting up, packing up, training and managing age groups). I have seen firsthand the effort and time you all put in to run this club so successfully.

Lastly I would like to thank Drew Hazon who every week assisted me in my role. Thank you for making this an enjoyable season and see you next season

COACHING AND EDUCATION REPORT

It's been another big year on the training track for the club and a large amount of thanks to Shannon who turns up week in and week out, year after year giving valuable technical tips to the kids as well as making the training fun for all. Thanks Shannon.

The results of the kids were outstanding and I know that the training on Wednesdays and Thursdays throughout the season has assisted this. This year we introduced Saturday training in the leading up to Region. We thought we might have 10 kids at these training sessions but were blown away with over 40 kids attending.

I would like to thank Michael, Michael, Garry and Drew for your assistance this year with training.

Lastly I would like to thank the kids that turn up each week for training ready to have a crack whilst having a bit of fun. I hope to see you all next season.

Ben Waldron
Officer of Technical and Equipment
Coaching Co-ordinator

TEAM MANAGER'S REPORT

This year Carwyn Potbury and I combined in the role of Team Manager for the season. This was a great success and I would like to thank him for his support, hard work, enthusiasm and excellent communication skills. We witnessed many "goose bump" performances from athletes over the three championships and it was a privilege to manage such a great bunch of kids.

Having two Team Managers meant that there was always someone available to the athletes and parents. It also allowed me to watch some of my own children's events, which I am very grateful for.

Zone Championships, Barton Park

There were 161 athletes representing NRCLAC at Zone Championships. This was a 24% increase from last year.

The carnival ran very well and on time. Barton Park is a great venue and our North Rocks Tent city is impressive allowing a great view for the track action.

The new system with the parent helpers' lanyards worked well and allowed us to monitor who was on duty and meet many parents we hadn't before.

Carwyn and I also decided it would be great to pre-order the athletes' Region shirts so they were available for the athletes to wear to Regional Championships this year.

Our athlete's achieved:

- 20 Gold medals
- 23 Silver medals
- 31 Bronze medals
- 83 athletes qualified to compete at Regional Championships.

Regional Championships, Narrabeen

With the predicted very hot weather forecast for Regional Championships I had an increase of emails and calls from understandably anxious parents. Unfortunately some athletes chose not to compete because of the predicted hot weather. There were also a few parents that didn't attend their duty. Carwyn and I were fortunate enough to be able to cover all the helper duties for the weekend. Thank you to all the parents that helped to fill these positions.

For those of you that sat in the grandstand I'm sure you will agree it was a very uncomfortable weekend. It was a long day on the Saturday and there were many delays through the late afternoon when the heat exceeded the acceptable limit.

Sunday was warm and very humid. The Regional committee did their best to keep us informed of the weather and changes to the program. They also constructed two water tents for athletes and spectators to cool off.

Our "Regional Team" shirts arrived prior to the Regional weekend and our athletes were easy to spot in the crowd especially as we have no designated seating area at Narrabeen. The bright colours made finding our athletes easy. Despite the very uncomfortable conditions NRCLAC still had some outstanding results.

Our athletes achieved:

- 6 Gold medals
- 9 Silver medals
- 10 Bronze medals
- 32 athletes qualified for State Championships.

State Championships

The weekend of State Championships was cold, wet, and windy. The weather was very disruptive with many field events delayed.

Our athletes achieved some amazing results and we are all very proud of every one of them. The standard of

competition is extremely high and considered the pinnacle of youth athletics in the state, so to qualify is a wonderful achievement and a reward for the many hours of practice and training through the year.

Our athletes achieved:

- 1 Gold medal
- 1 Silver medal
- 2 Bronze medals
- There were many PB's and 8 top ten placings.

Well done team!

I would also like to thank Garry Dennis for his support of our role through the year. Also to Adam Price for his role with the initial athlete data entry and reconciliation process for the Zone Committee. I would also like to thank Shannon Kavanagh for her expertise with team relays for Zone.

Thank you also to the NRCLAC committee who were very supportive of the athletes through the year and ensured the athletes received the training, regular weekly competition, and extra training sessions that helped consolidate our great results this year.

I'm looking forward to next season and hopefully we can improve on these wonderful results.

Annika Tilt
Team Manager

CLUB CAPTAIN'S REPORT

My name is Kate Milne and for the last year it has been my absolute honour to be North Rocks Carlingford's Club Captain. Athletics has been a major component of my life: I started 9 years ago, in the U9s, and although things have changed a lot since then, athletics has remained constant in its ability to create new friendships and inspire kids to be the best they can be.

When I started, I was part of an age group which had about 25 girls, most of whom already knew each other, either from school, or from doing athletics in previous years. I was decidedly nervous: I didn't know anyone and my only friends from school were boys who I quickly realised would not be in my age group. However once I was there, I was amazed by how absolutely welcoming everyone in the community was to both myself, and to my mum, who had pulled the athletics straw whilst my dad handled cricket with my brother. This community is exceedingly generous and welcoming, something that has not changed despite the number of years and the new faces.

Throughout my time here, our club has gone from strength to strength. Every year there seems to be the announcement that we have broken our record for number of athletes who have attended zone, region, and state which is truly a testament not only to those athletes who go on to achieve at higher levels, but those who are willing to participate in events just to have fun and make new friends. However this is also a huge testament to the parents, who make the effort to drive the kids here as well as to the age managers, who are always there to inspire and encourage kids to beat their next personal best.

I want to take the opportunity to say thank you to all the people who have been part of my athletics community- both past and present. Thank you to the committee for their tireless efforts to keep the club running and things moving smoothly week in and out. We are exceedingly thankful for the wonderful work you do. Thank you to the parents, who drag themselves out of bed for that 8 o'clock start, and especially those who get there early, or stay back late in order to assist in the setting and packing up.

Thank you to all the athletes, who every week push themselves to achieve their best, and who are what this club is about. Thank you especially to Garry, our president, you have always been an inspiration to me and I appreciate all you've done both to the club but especially to me personally. Thank you to all the people that have been in my age group, those present and those past for making it worth coming week after week. Thank you to all of my age managers, but an especially big thank you to Simon, who was my first manager and who I had the longest, and to Helen who I've had for the last couple of years. You guys are truly wonderful. And one final thank you to my mum. I hope you know how much I love you and appreciate all you do for me.

So that's it from me. Enjoy athletics, whether you're a parent or athlete, and remember that even whilst you're chasing down personal bests, the best part is the experiences you have and the friendships you're making. Thank You.

Kate Milne
Club Captain 2016-2017

RECORDS & RESULTS REPORT

It was another busy year for records and results. In particular we introduced timing gates to the main track, so that all races up to 400m were electronically timed. Special mention must go to Adam Boyd for managing the operations of the timing gates. As expected, we had a few initial teething problems but these were largely resolved by the end of the season and any potential negatives are outweighed by the reduction in data entry workload and the increased accuracy of the results. Additionally, we moved to having age managers enter field event results via their phones. Accuracy of results being entered was good and the reduction in workload for results team meant that this initiative will be continued for next season.

On average we had 250 athletes compete each Saturday morning and 140 compete at our January Friday night competitions. Our busiest competition day saw 282 athletes in attendance. In total nearly 22,000 results were loaded into the system over the course of the season.

Practically this meant that during the course of the season athletes:

- Ran & walked 3,304 km
- Threw objects 32.4 km
- Jumped 12.6 km

Records Decision

During the course of the season, the committee made numerous decisions with regards to records. These are summarised below:

U17 300m Hurdles – LANSW introduced this as a new event this season. As per prior years when new events were introduced, the committee made the decision to award the record to the athlete with the season's best.

Timing Gate Errors – Whereby any problems with timing gates meant that it was not possible to determine accurate race results (ie. the gate start device was triggered early or late) the first placed athlete in the problematic heat was awarded an equal PB, with the remaining athletes in that heat having their results adjusted with reference to the time awarded to the 1st placed athlete, such that time differences between the athletes remained the same.

Where full gate failure mean that no results were able to be determined (and it was decided not to re-run the race), all the athletes in question received equal PBs. It should

be noted however that these 2 scenarios happened extremely rarely.

PB's Achieved

Of the 381 registered U6 to U17 athletes, 298 achieved 10 or more Personal Bests during the season. The following table shows the number of athletes who achieved the various award levels:

PB's	Award	No of Athletes
30 PB	Gold Medal	8
25 PB	Silver Medal	31
20 PB	Bronze Medal	76
15 PB	Certificate	97
10 PB	Certificate	86
